

# U-Link

2MP indoor camera, IR 25m fixed lens

## UL-2DIR20FP-AHD

### FEATURES

1/2.9 CMOS Sensor

Minimum illumination 0.02 lux at color & 0.001 LUX at black and white mode

Fixed lens 3.6mm

Infrared Distance 25m

2MP indoor camera, IR 20m fixed lens

# UL-2DIR20FP-AHD

## Technical Specification

| Camera                |  |
|-----------------------|--|
| Image Sensor          | 1/2.9 CMOS Sensor                                    |
| Image Resolution      | 2MP  |
| Mega Pixels           | 1920x1080  |
| Video Output Mode     | 4 in 1   |
| Usable Illumination   | 0.02 lux at color & 0.001Lux at Black and white mode |
| TV System             | PAL/NTSC   |
| Electronic Shutter    | 1/25s~1/50.000s_1/30s~1/60.000s                      |
| Sync System           | Internal   |
| S/N Ratio             | >50dB  |
| Scanning System       | Progressive Scan                                     |
| White Balance         | Auto/ Manual   |
| Gain Control          | Auto   |
| 3D NR                 | 3 DNR  |
| WDR/DWDR              | DWDR   |
| Picture Adjustment    | Yes  |
| OSD Support           | Yes  |
| Auto Iris Support     | Yes  |
| Anti-cut Bracket      | Yes  |
| IR Cut Filter         | Yes  |
| Storage Temperature   | -20°C~+60°C RH95% Max                                |
| Lens                  |  |
| Focus Length          | 3.6mm  |
| Focus Control         | Fixed  |
| Lens Type             | Fixed  |
| Night Vision          |  |
| Infrared LED          | 6PCS SMT IR LED                                      |
| Infrared Distance     | 25m  |
| General               |  |
| Operation Temperature | -10°C ~ + 50°C RH95% Max                             |
| Weatherproof Housing  | YES,Plastic  |
| IR Power On           | Auto   |
| Power Source          | DC12V±10%. 500mA                                     |
| Dimension             | 177.8*68*70 mm                                       |
| Weight                | 0.5kg  |
